Dear Your Honor

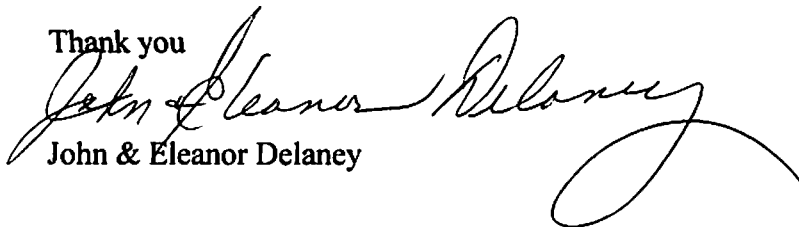

My husband and I are investors with Mcginn Smith for over ten years. We are 68 years old ,retired and hoped to live on our investments.

We have been following the case on the internet, Just read t he request for living expenses .

I will not belabor the point but do implore you to **Not** grant this request. We have \$900,000. Including our IRA with Mcginn Smith. We are now living on Social Security. My husband has returned to work (two jobs) in order to meet our expenses. We took a reverse mortgage in order to save our retirement home.

We hope to see some return on our investments some day. Granting this request only decreases the amount for us and all others who trusted Mcginn Smith.

Thank you

John & Eleanor Delaney
