Mike,

Please fax the three executed documents with all pages initialed and dated to REDACTED 3513. The only thing that came thru yesterday was the signature page on the Grid Note. I spent today REDACTED, so I will be catching up tomorrow. My guess is funding on either Monday (the 18th) or Friday (the 15th). I will keep you informed. I will go over all documents with you tomorrow afternoon. Does 3:00 pm work for you?

Tim

When do you think we can get some of the funding and I can start paying off some of these accounts?
