Your Honor:

I know your cannot read all the letters that come to you however I beg of you to read all of them from the victims of McGinn, Smith and Company. And hear what they are saying. The economy is horrible, unemployment, family living on the streets in tents, poverty among seniors is a tragedy because they worked all their lives to retire comfortably. As seniors we are not sure how long we can stand up against the very rich. They took our life savings and they are enjoying their lives while we contemplate losing ours. There are no movie nights out, no special dinners. We visit friends because it doesn't cost anything.

Pleas help us recover our losses. It has been to many months and years. Have pity on us, we need to continue to live and we need your help.

Thank you for reading my plea. May God grant you the wisdom to do right by ALL 900 victims of McGinn, Smith and Company.

Yours truly

Monica & Peter Check, Jr.

Dear Mr. Stoelting:

Our Family suffered a tragic death and that is why there was a delay in my response to you. We are in deep mourning as it was a young person that was killed.

Enclosed are some documents we hope can help you to help us recover our losses.

The letter from Vincent & Diana Gentile, enclosed, are what we beg of you to do. We are seniors, now with this extra burden of death, our funds are needed back NOW. Why can't we be paid instead of the other lawyers, receivers etc.

We are suffering a great hardship do to McGinn and company stealing our funds. They are enjoying life. HELP!!!!

Yours truly
