Interests Free and Clear of Liens, Claims, Encumbrances, and Other Interests, and Resolution of the Claims of Shoma Corporation (Docket No. 454).

The first Motion seeks approval for the sale of the remaining alarm system monitoring accounts owned by various MS Entities and currently operated by McGinn Smith Alarm Trading, LLC. The sale is for \$1.75 million subject to customary closing adjustments.

The second Motion seeks approval for the sale of so-called triple play assets (Internet, phone and cable) in the State of Florida presently managed by HControl Corporation to a nominee of HControl Corporation for \$2 million and certain related relief as to a minority interest holder.

Motions for the sale of assets under the Preliminary Injunction Order (Docket No. 96) require only four business days notice. By So Ordering this letter, I respectfully request that the Court schedule these Motions for hearing on March 19, 2012 and approve the implementation of the marketing, auction and bidding procedures which will be in place prior to the sale hearing for any competing offers. I am available to answer any questions.

Very truly yours,
