Dear Mr. Brown,

As you know I have corresponded with you many times and then felt optimistic. However, at this point my optimism has faded as recent website news frightens me and I too am forced to ask WHAT IS HAPPENING TO THE VICTIMS DISTRIBUTIONS? I feel that you really have let me down.

So I ask you Mr. Brown at the age of 81 can I look forward soon to my full distribution?

Sincerely,

  
Dorothy Puglisi
