Honorable Christian Hummel  
Federal Magistrate Judge  
445 Broadway Room 411  
Albany NY 12207-2926

Dear Judge Hummel,

We are writing to you as two of the many investors who are victims in the fraud perpetrated by McGinn, Smith & Co., of approximately \$136 Million.

We understand that the receiver, after too long, is finally preparing to make payments to the claimants. We are holders of Secured Senior and Secured Senior Subordinated Notes in FAIN, FEIN, FIIN and TAIN. These notes were purchased at a lower interest rate with the understanding that in case of a situation where there could be a loss, they would be redeemed in full before the Junior level Notes. The receiver, on his website, does not make it clear if he is going to honor this provision of the contracts.

We are respectfully requesting the Court to hold Mr. Brown, the receiver, to this provision of the contracts.

Sincerely,

  
Fern L. and Shirley A. Reindollar
