Re: SEC v. McGinn Smith & Co., Inc., et al
10-CV-457 (GLS/DRH)

Dear Judge Sharpe:

We respectfully request a one week extension to file response papers in this matter due to the voluminous nature of the plaintiff's summary judgment motion and the challenges in communicating with our client while he is incarcerated. We respectfully request that the filing date for all response papers be extended to August 11, 2014 and the filing date for reply papers be extended to August 27, 2014.

Counsel for plaintiff, Lynn Smith, and the Smith Trust consent to this request.

Respectfully submitted,

DREYER BOYAJIAN LLP
