re.: McGinn/Smith; Lesley Levy

Dear Judge Sharpe:

I wrote regarding the above matter several months ago but have received no response. I explained that I am a cousin of Lesley Levy, one of the people defrauded by the McGinn firm.

She lost more than \$1,000,000, virtually her entire life's savings, and she has been in financial extremis since...to the point that she is now in jeopardy of losing her home, the last real asset she has.

I spoke with the receiver, Wm Brown almost one year ago; he reported that he had collected a substantial sum of money and would be making a distribution "within a couple of months". It has not happened. No distribution of any kind has been made. One must assume that, during this lengthy period, his fees and expenses have continued to increase. How can it be that no one has received ANYTHING! Something appears to be "wrong in Denmark"

On behalf of my cousin, I respectfully solicit your assistance in determining "what gives". It seems to me well nigh impos-

sible that all this time has elapsed with not one of those many who were the victims of this monstrous, disgusting fraud having received any compensation whatever, ESPECIALLY AFTER THE RECEIVER HAD RECOVERED A SUBSTANTIAL SUM OF MONEY!!! As I have said, it has been a year since my telcon with Mr, Brown, with no distribution. What can Mr. Brown possibly doing with the money, which is the property of the SCREWEEES!!! He has an absolute fiduciary obligation to all the claimants, and I would like to see him carry out that responsibility. Nothing less is acceptable.

Your assistance in this matter would be much appreciated.

Respectfully
